---

Hey Rick – the booster parents web site is done with the registration forms. They send everything here – you don't need to mess with it.

So, go here and do this.

<http://www.fiestabands.com/boosters.asp>

- Click on McQueen HS Band Boosters
- Login: mcqueenb (all lower case, very important here) – notice the “b” on the end of mcqueen
- Password: fiesta (all lower case again)
- That puts you into the menu for the boosters
- Look – at the lower left of your screen for the ENROLLMENT FORM – click on that
- 2 thumbnail pics will come up and click on either one
- Now the ENROLLMENT FORM will come up and parents can print that off and send it in.

Now – go back to the Main Menu where you see the list of things, like Accommodations, Itinerary and such.

- Click on Message Center
- There is one message there – click on that message
- Scroll down to a LINK for the “Tickets Only Order Form”
- Click on that link – form will come up for just the event tickets only.
- Parents can print that off and send that in too.

Call me if you have questions.
