

Parent/Family Greetings For Concert Programs

Dear Band Parent,

Among the many items being prepared for the zone concerts is the program. One way to make your Band Child feel special is by "taking out an ad" in the program to congratulate or encourage them.

A single line greeting (max. 55 characters) is a popular choice. Larger ads provide additional space for special messages and photos. Please be sure the photos are not too dark.

If you would like to be a part of this McQueen tradition, please fill out the form below and mail it with your remittance.
